2.1. Writing a letter

You have got a letter from your penfriend Mike in Tampa, Florida.

Read it and write a letter back. Don't forget to answer the underlined questions.

Remember the form of a letter.

You'll find the *-words in the word list. There is also a German – English word list.

Tampa, April 3rd, 2005

Dear,

How are you? Are you still on spring vacation* ?

I really had a good time for three weeks because I did my work experience as a shop assistant in a big department store.

5 The best thing was that I didn't start work until 9.30 am.

In my first week all I had to do was selling biscuits. I refilled* the containers* and filled biscuits into bags of 100 or 200 g. I was not allowed to touch the biscuits but had to wear plastic gloves*.

10 During the first two days the biscuits were delicious, but then we got some boxes of really hard biscuits (I don't know where they got them from.) which we mixed among the fresh ones. Wasn't that awful?

I talked to my colleagues when we had lunch in the canteen, but they didn't care.

In my second week I worked in a different department where I had to sell women's clothes. I was quite good at it - you know, I could easily see if a lady was size 10 or 12.

15 When my teacher visited me they told her that I was very helpful and polite and always on time! Unbelievable, don't you think so?

It was not easy to get a job here but my mom knows someone who works in the staff department*. Can you believe that I wrote applications* to ten different companies before I got this job? Did you find it easy to get your work experience? I also had to send my CV! What about you?

Didn't you do your work experience in February? I'm not quite sure.

20 What time did you start, and what did you do? And how did you like it?

Tell me everything about your work and your colleagues. Were they nice? Did you get any money? And do you want to do the job after school?

Hey, I went to work by car. My mom let me drive hers.

Take care.

25 Yours,

Mike
